1. EN'S SAY

October 2008

Activities at the hall have been very well attended and interesting with a wide variety of activities. Come along and join in if you are not already doing so.

It was great to see several of us attend the local events recently. It is always worth the effort to visit adjoining groups and enjoy their hospitality and to support them as they support us.

The big event this month for us was the Bacchus Wood Archery Championship on the 12th which was won by Master Hrothgar Breaksword with runners up Basil de Sulman and Kara of Kirriemuir very close behind. Well done to all contestants. It was a very enjoyable day.

The big news this month is the River Haven Baron/Baroness Divest/Invest on the 22nd and 23rd November this year. Lady Contarina and Master Wolfgang will be the next Baron & Baroness of River Haven. I encourage all members to attend this event. It isn't often a Baronial changeover happens. Bookings should be made as soon as possible.

It is almost time to break out the Christmas decorations but first we need to run a couple of Revels to tide us over the Christmas / New Year break. I need two Stewards to run them. Please see me as soon as possible – this is an easy event to start off your stewarding skills.

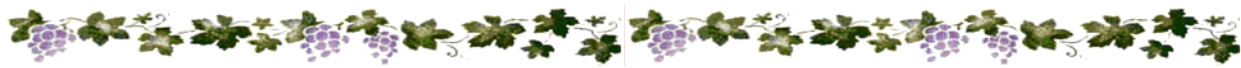

Until next month then . . .

Yours in Service to this wonderful Shire,
Madog Llwyd ap Madog

2. Bacchus Wood Meeting Minutes

Meeting held on 7th October 2008 at Eridani Hall, Kingston

Opened at 7:57pm

Present: Alison, Steve, Kim, Ra'chel, Phil, Clare, Phillip, John P, Chris, Andy

The previous meetings minutes were unavailable as the minute's book has been misplaced.

Reports:

Seneschal: Tabled

This past month has been busy and included a visit to Burnfield (Gin Gin) by Lord William, Lady Ismena and myself. I must recommend to members to turn up at events and have a good time.

We also had the Musgrave World Medieval Tournament where many of us turned up during the weekend. We all had great fun and pack-down was a breeze with all the hands on deck not only from Bacchus Wood but also from St Florians and Riverhaven. We cleared the site in record time and it was left neat and tidy with barely a mark to show we had been there.

For the Musgrave park event, we invested in some rope to put around the List Field. This rope has been needed for some time so it will be very handy for events in the future.

Our next event is this coming Saturday, the Bacchus Wood Archery Championship.

If you have not booked for this event, you need to do so now. This will be further covered by the Archery Captains report.

I also managed to get the butt packing from Master Hrothgar last weekend at the Willoughby Vale IKAC on Sunday and returned to Bacchus Wood on the Sunday afternoon to repack the ground Butt given to us by Tony. So that is now three butts we have. We do need to repack the other two butts after our championship.

We need to sort out our events for next year as mentioned on the Yahoo List. So far, it seems we will have four events. If anyone would like to volunteer for Autocrat for three of the events, please let me know. It isn't hard and assistance is available. We will discuss this further in General Business.

A tremendous month, well done Bacchus Wood!

Herald: Tabled

There have been no events in the past month, and no heraldic consultations. I have submitted Ismena Gamel's (Alison Carr).

Captain of Archers: Tabled

For September: We had a quiet month for archery with 1 night at the hall for practice.

We have the Bacchus Wood Archery Championship this weekend, so all people who want to be there, please book now.

Webminister/Chronicler: Tabled

The website Calendar has been updated and next years proposed events have been put into the Calendar.

The September issue of the Grapevine is still languishing on my computer as I have had difficulties uploading it as the copy of Adobe Acrobat is playing up on my machine. This will be remedied very soon when I get my new motherboard to replace the faulty one I have.

I also want to step down as webminister as I have been webminister for well over two years. I am also finding my duties need to be lightened and a new Webminister would be a great help in this.

Likewise the duties of Chronicler - if anyone would like to take over these positions let me know.

Ra'chel indicated she would assume both positions (Webminister and Chronicler). Thank you.

A&S: Tabled

It has been hectic over the past few weeks on Tuesday nights. Many activities including Heraldry, fighter practice, garb, research and so on. Great to see.

Thank you to Tomas especially for coming down from St Florians to help train the heavies and congrats to Lord Ramon in getting Authorized as a heavy again.

Hospitaller: Nothing to report

Chirurgeon: Attended the Burnfield and the Musgrave park events and apart from treatment of Giles Leabrook's finger after it being hit with a mallet, there were no incidents or injuries.

General Business:

Andy: He is going to train up to be a Marshal. Steve says, Contact Lochswan as KM. Chris to recommend if he thinks suitable. Chris said he is and would.

Phil/Kara: Gifts to new B&B River Haven - will Asa be acting as the gifts registrar? Chris said he would find out.

Kara: Kara will be at the Little Athletics Park from 8am for setup. She has contacted the committee to arrange for toilet keys etc. The event starts at 10am sharp. Gluten free diets catered for (lunch). She will ask Kit for the use of the big esky for drinks.

The IKAC will be first event followed by the clout shoot with blunts onto a target of 10 metres diameter and the combat archery part of the event will be using 30# bows and combat blunts in the style of an IKCAC. Short discussion ensued about what food is required and other items for the event.

Alison: New Milo tin purchased for hall.

Chris: Event dates for next year -

These are the proposed dates for next year that I will be taking to the Seneschals Events Meeting on 30th November:

Ides of March 14th and 15th March: Kara is the Autocrat - anyone wanting to run classes to contact her.

Newcomers event: Last weekend in May - 30th/31st

Bacchus Wood Annual: Last weekend in August - 29th/30th

Archery Championship: October 18th - being one week after Bathurst

We will think about these some more and autocrats for three of the events are wanted. Assistance to Autocrats is available if required. The final dates will be taken to the Events Meeting at the end of November to be fitted into the regional timetable and at that time they will be 'set in stone'.

The New Years Bash will be at Alison's - with a Trivial Pursuit night.

There being no further business, the meeting closed at 8:48

Meeting closed at 8:48pm

Addendum to minutes: The previous minutes were located and inserted into the September Grapevine which was published on the 8th October.

William Shakespeare Facts

- * Nobody knows Shakespeare's true birthday. The closest we can come is the date of his baptism on April the 26th, 1564. By tradition and guesswork, William is assumed to have been born three days earlier on April the 23rd, a date now commonly used to celebrate the famous Bard's birthday.
- * Shakespeare invented the word "*assassination*".
- * William married a woman nearly twice his age. Anne Hathaway was 26 years old when William married her at age 18.
- * Shakespeare, one of literature's greatest figures, never attended university.
- * William never published any of his plays. We read his plays today only because his fellow actors John Hemminges and Henry Condell, posthumously recorded his work as a dedication to their fellow actor in 1623, publishing 36 of William's plays. This collection known as *The First Folio* is the source from which all published Shakespeare books are derived and is an important proof that he authored his plays.

From the Ides of March Collegia Autocrat....

Greetings to the populace of Bacchus Wood, River Haven and St Florian de la Riviere.

As autocrat for AS XLIII Ides of March Collegia (2009), I am now calling for expressions of interest from those wishing to teach a class, and those wishing to learn something in particular.

We have some ideas currently being discussed including corsetry, the art of oration and voice projection, cooking subtleties, how to run an event from budgeting to cleanup, how to run events that don't suck, more arrow making and hat making – flat caps.

Any other suggestions would be greatly appreciated. I am particularly interested in adding fighting aspects, fencing aspects and armouring classes.

If you have any ideas, opinions on the above classes on offer or wish to teach something please email me on chel_sihto@hotmail.com.
